I appreciate all the

me some time at BHS. —

In a school with a large student body, an assistant principal's job is vitally important. It helps to ease the strain of the principals work load and enables the school to function in a smoother manner.

This year Kempsville has three assistant principals. The newest, Mr. Harvey, is in charge of all transportation matters including parking permits and buses. He handles all disciplinary problems dealing with the buses also. Mr. Harvey will assist Mr. Booth, the athletic director, in co-ordinating the athletic activities.

Mr. Shields, the assistant principal in charge of discipline works with the students to insure that they will co-operate with the rules and regulations set down by the school. He is always available to those students seeking schedule changes and those who may be having problems in any particular class.

The assistant principal in charge of instruction is Mr. Fields. He works mainly with the teachers' instructional processes and also supervises the curriculum of Kempsville High.

Mrs. West, "Mom", Alice, she answers to them all. Alice West is a needed person at Kempsville. Whenever in doubt people go to her to ask about activities or personal problems. Alice will always set a person out on the right road.

Mrs. West has been at Kempsville since the school was opened in 1968. She has been a very faithful person to all and will never be forgotten.

Mrs. West we will all miss your warm smile and glowing appearance everyday.

Parent contacts, either parent or counselor initiated, are made during the year. This year the counselors invited people from various job areas in the community and held "rap" sessions after school for all interested students. Mrs. Fritch is head of the department.

The Foreign Language department offers courses in French, German, Latin and Spanish. The language laboratories are used a great deal in the teaching of modern foreign languages in order to develop oral skills. Interest in the spirit of the culture of various countries is stimulated through the use of recordings, slides, films and tapes. Students are aware of the need to communicate with the peoples of other countries in today's shrinking universe. In these days of increased foreign travel and trade we must know more than one language! Anne Petroff heads the Foreign Language department.

The Physical Education Department is seeking to provide more individual attention in its instructional program by increasing the staff membership therefore lowering the class size. Several teachers have been added to the staff to handle the shift in class size. Special emphasis is being placed on the intramural and extramural programs within the required classes. The elective classes are stressing the importance of physical fitness.

This year the department has changed not only in its instructional aspect but also in the construction of the gym and dressing rooms. New lockers were installed in the boys dressing room and a new floor was put down in the gym. Bill Cochrane heads this department.

Ten students represented Kempsville High at the 1972 session of Boy's and Girls' State. Sponsored by the American Legion, Boys' State was held at the College of William and Mary and sponsored by the American Legion Auxiliary, Girls' State was held at Radford College.

These programs aim to further the participants knowledge of state and local government. Students are in court procedures, conventions, campaigns, and elections. Everyone holds an office, ranging from city dog catcher to governor. Lectures are also given from important people in Virginia. Though the week at Boys' or Girls' State can be very tiring, much is gained through the experience.

PASCHALL LEADS STATE TEAM

Behind the Five hit, 13 strike out pitching effort of Billy Paschall and a tremendous overall team performance, the Kempsville Diamond "9" defeated Washington-Lee of Arlington 5-3 for it's first group AAA State Baseball Championship.

Settling down after allowing three runs in the first 2 innings, the Chiefs rallied in the top of the third inning sending nine men to the plate. Three runs scored, all with two out after Mel Rupert's single started the rally. A walk and an error loaded the bases and Allen Price's line single scored one run. Rodney Blake walked, driving in the second run and Paschall was hit

by a pitch to send home the third.

The mighty Chiefs broke the tie in the fifth inning. Don Hauck laced a double, Rupert followed with an in-field single. After two were out, Steve Hansen drove a ground rule double over the centerfield fence scoring Hauck with the winning run.

An insurance run was added the next inning when Nate Blake doubled home "General" Patton who had singled. From then on it was "smooth sailing" and the Chiefs won their 22nd of 23 games this season and it's first state title after only three years of varsity competition.

Paschall follows through.

Let a smile be your umbrella.

Price gets set for the tag.

Patton rounds third and heads home.

Kempsville finished regular season competition compiling a 16-1 record and winning the Eastern District Championship for the third straight year as a high school team, sports writers equaled the Chiefs to the Baltimore Orioles for experience, the Pittsburgh Pirates for pitching, the Cincinnati Reds for hitting power, and St. Louis Cardinals for infield speed. We agree whole heartedly.

Patton truckin home.

Group of weary state titlists.

We have the whole state title in our hands.

NO ONE IS BETTER

For the last four years Kempsville has continuously received outstanding pitching, hitting, and fielding performance from stalwarts Billy Paschall (26-3), Don Hauck (14-1), and Melvin Rupert (16-3). Coach Barlow feels he'll surely miss these caliber athletes and the lettering seniors.

Nate Blake, "The Best Hitting Catcher in the State," continuously thwarted opponents base-stealing attempts with his "quick draw" release to all bases. Senior Rick Scarper, having a great comeback season at the plate, provided the Chiefs with championship play in the left field throughout the year. "General" Patton has performed almost flawless fielding at second base for the last two years at Kempsville. This year Patton shared the Golden Glove Fielding Award

along with teammate Alan Price. Patton also abetted his cause at the plate with sharp clutch hitting in the last half of the season. His one run lined double won the semi-finals of the State for the Chiefs.

Sophomores Alan Price, Steve Hansen, and Ricky Bliese provided Kempsville with three of the most versatile infielders on anybody's team. "Smiley" Price co-winner of the Golden Glove Award, performed flawlessly at shortstop while providing always dependable hitting at the plate. Steve Hansen and Ricky Bliese, the remainder of the "Super Sophomore Trio," are three sport letterman in baseball, football and basketball. Their heroic fielding, hitting, and winning attitude will continue to provide big victories for Kempsville in the future.

Although these seniors were the strength of this team, there are many promising underclassmen. These and others will be the Chiefs' 1973 Track representatives. The team is coached by Steve Parker and Donald DeSarro.

KHS TENNIS TEAM GOES CO-ED

*Best of luck

Coach Paschall*

During the 1971-72 school year, the tennis team had 4 wins and 6 losses. There was a great deal of experience and poise gained this year as 5 of the first 6 players were juniors or sophomores. The only player lost to graduation was the number one player, Gary Teagle.

There were 3 players to post a record of 5 wins and 5 losses: Mike Skaltsounis, Nick O'Hara, and Phil Meadows. Two Doubles' teams posted records of 6 wins and 4 losses: Frank Minschke — Mike Shaltsounis and Nick O'Hara — Phill Meadows.

Kempsville High can be proud of these upcoming Juniors as they are now preparing themselves to continue on the fine winning tradition that Kempsville High has established.

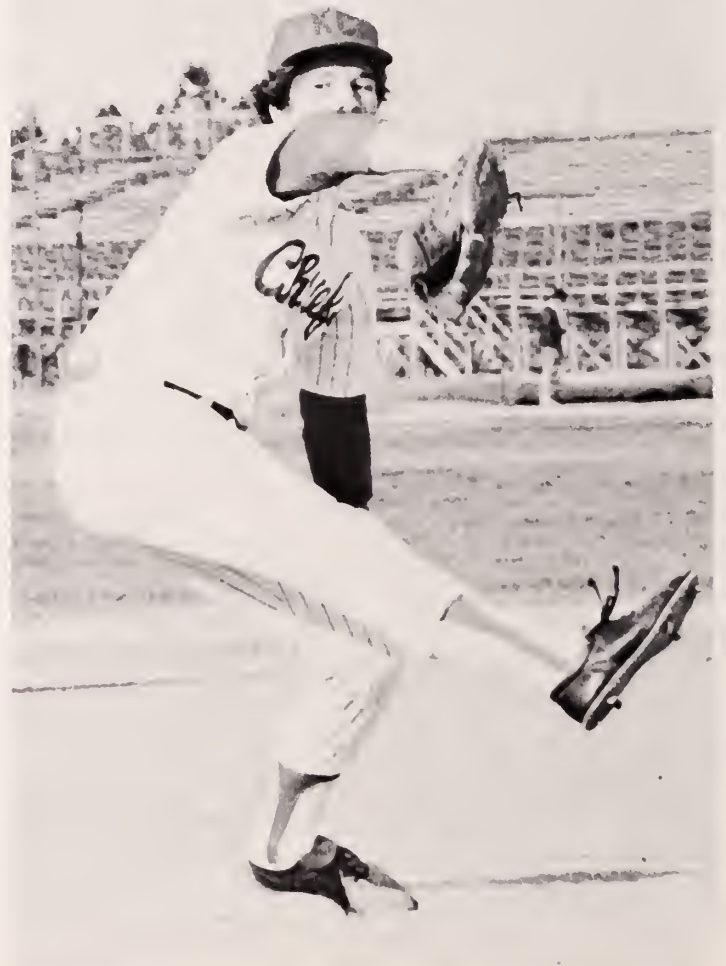

This team is coached by Jerry Gavin.

Again this year, ten seniors were chosen by their class as being Outstanding. This year, the method of choosing these ten students was changed. In past years the teachers usually choose twenty seniors who they thought were outstanding and the senior class voted on them. This year the class itself nominated seniors from different categories and the sixteen with the highest total votes for nomination were on the list. Again the class went together and voted for ten to represent them.
